

Directions to RAD BioMed Incubator

RAD BioMed Incubator Ltd.
Migdalei Orr.
27 Habarzel St.
Tel-Aviv, Israel.

RAD BioMed Incubator is situated in the
Ramat Hachayal neighborhood in the center
of Tel-Aviv,
15 minutes, drive from the center of the city

From Ben-Gurion Airport

Take Route 1 West. At the entrance to Tel Aviv traffic will merge onto the Ayalon Freeway (Route 20 North). Proceed until the Rokach Boulevard interchange. Exit onto Rokach East, and turn right at the end of the ramp. Pass the Exhibition Grounds and then, immediately after the railroad overpass, turn right onto Shalom Shitreet Street. Continue straight past the traffic light, where the name of the street changes to Raoul Wallenberg Street. Continue on the right lane where the street splits, turn to Habarzel Street. RAD Biomed is located in the Orr Towers, 27 Habarzel Street, building A. To enter the parking garage, turn left after Comverse 1 building

From Haifa and North via Kfar Ha'Yarok Junction

Take Highway 2 (the Coastal Road) south towards Tel Aviv. Turn left (east) at the Glilot Junction on to Route 5. After about three kilometers, exit right (south) at the Ha'Kfar Ha'Yarok Junction. After a few blocks the road will fork. Stay on the left. After the split, take a left turn at the third traffic light onto Dvora Ha'Nevia St. Continue with the road as it veers right (the Atidim Technological Park with a single very tall building will be on your left). You will see the Ziv Towers, a large brown marble complex, on your left. Turn left at the traffic lights to Haarad St. and then to your right. RAD BioMed is located in the Orr Towers. 27 Habarzel Street, building A. To enter the parking garage, turn right after Comverse 2 building.
